

Evolution Burn Stop Burns Kit (Small)

- Economical treatment of burn injuries
- Each kit is supplied with a range of products designed to provide effective treatment of burn injuries
- All kits include Burn Stop burn dressings which are sterile gel impregnated dressings
- Kit available in small, medium and large sizes

Evolution Burn Stop Burns Kits are an economical solution for treatment of burn injuries, designed to be convenient in case of a burns emergency. They contain fast acting, quick relief dressings and gels to cool, soothe and stop the burn process. The content is supplied in a durable, robust Evolution hard case and the kit is available in 3 different sizes with varying products and quantities, details of which can be found in the Contents tab. Evolution Burn Stop Burns Kits is easy to identify and recognise, being in a bright red colour and having a white cross and "Burns Kit" marking on the case. The kits can be wall mounted with the help of a bracket (not included) for better storage.
